Source Information:

United States National Archives. *Civil War Service Records* [database on-line]. Provo, UT, USA: The Generations Network, Inc., 1999.

Description:

The Civil War Compiled Military Service Records are part of a historic effort to compile and link all available records of soldiers serving in individual states during the Civil War of the United States. This database is a listing of over 5.3 million men who served in the war. Taken from records housed in the National Archives, each record provides the soldier's name, company, and unit. Also provided is the individual's rank when inducted and rank when discharged. [Learn more...](#)
